

Terms of participation

Registration

1.0 Each participant must have reached the minimum age of 18 years on the day of the event. If participant has not yet reached the minimum age of 18 years, he/she may participate in the event accompanied by a parent or legal guardian or his/her trainer or supervisor.

1.1 The participant may only take part in the event if he/she

- has completed the relevant registration form truthfully and in full.
- has paid the registration fee in full.
- has agreed to the general conditions of participation.

1.2 Once the entry fee has been paid, there is no possibility of a refund.

1.3 If the event cannot take place due to exceptional circumstances, the registration fee will not be refunded.

1.4 Access to the refreshment posts along the route is only possible for registered participants.

1.5 The start ticket is strictly personal and may not be transferred to third parties. Name changes are only possible for a fee of 15.00 Euros.

1.6 Participation in the event is at your own risk.

Behavior

2.0 The 3RIDES Road and Gravel Rides are not a competition or a cycle race. There are therefore no road closures. During all rides, the road traffic regulations apply and must be always observed. There are no exceptions, i.e., the usual traffic rules always apply. In particular, the absolute ban on driving on the left, the observance of traffic regulations, traffic light regulations and the instructions of the road and track personnel must be observed. Failure to do so will result in disqualification and exclusion from future 3RIDES events. Any infringement will also be punished by the safety authorities.

2.1 Side-by-side cycling is permitted with a maximum of 2 persons, provided this does not constitute an obstruction. The police may enforce the criminal law for dangerous behavior on the road and will carry out checks for this purpose.

2.2 Participants must respect other road users and residents.

2.3 Identity cards must be always carried during rides.

2.4 Participants shall show consideration for nature and the environment and dispose of their waste (including banana peels) in the waste bins provided at the start, at the refreshment posts and at the finish.

2.5 Participants are fully aware of all risks associated with participation. Participants shall take care of their own safety and the safety of other road users.

2.6 The use of support vehicles is prohibited.

Terms of participation

2.7 Participants must immediately follow the instructions of the police and the organizer (including the traffic managers).

2.8 Participants may be excluded from the ride in case of misconduct and non-compliance with these rules of conduct. The frame number will then be confiscated on the spot. These participants are also excluded from participating in the next 3RIDES events.

Liability

3.0 Participation is at the participant's own risk. The organizer shall not be liable for any damage, of whatever nature, suffered by the participant because of his/her participation, unless such damage is the direct result of intent or gross negligence on the part of the organizer. This exclusion of liability also applies to serious damage, such as all possible damage resulting from injury or death. The organizer is never liable for indirect damages, including wage and medical costs, lost profit, regardless of how they occurred.

3.1 The Participant must be adequately insured against the risk of damage that he or his survivors may incur because of death, injury, or illness due to his participation in the Event.

3.2 The Participant shall indemnify the Organizer against liability for damages incurred by third parties because of acts or omissions attributable to the Participant in connection with the Event. The Participant shall be adequately insured against the risk of liability for such damages.

3.3 The Organizer accepts no liability for lost clothing or other property of the Participants.

Bike & Accessories

4.0 The participant is responsible for the road safety of his/her bicycle. Attention must be paid to the proper functioning of the brakes and other safety-relevant components.

4.1 For recumbent and hand bikes, a bicycle pennant must be attached at a height of 1.60m for safety reasons.

4.2 Track bikes, single speeds or fixies are only permitted if they have a freewheel hub and two independent brakes.

4.3 For safety reasons, the following attachments are not permitted:

- Disc wheels front / rear
- Triathlon, horned or delta handlebars
- Drinking bottles made of glass or other fragile materials.
- Bicycle trailers of any kind

4.4 Any type of bicycle is permitted, i.e., road bike, cyclocross bike, gravel bike, mountain bike and e-bikes.

Mandatory helmet, clothing and start number

5.0 Helmets are compulsory for all 3RIDES Road and Gravel Rides.

5.1 There are no separate regulations for the type of clothing. However, it must not represent a safety risk. In addition, it is not permitted to ride with the upper body exposed.

Terms of participation

5.2 The start numbers issued by us (helmet sticker and saddle support number) and the 3RIDES identification sticker must be attached. They serve for identification purposes and must therefore be attached in a clearly visible manner and in full size to the places provided for this purpose. The helmet number is also used, among other things, so that the photo duty manager Sportograf can assign each participant.

Video and/or audio recordings

6.0 Visual and/or audio recordings may be made of the event. It is also possible that the participant will be given the opportunity to pose for a photograph. The visual and/or sound recordings made during the Event are the property of the Organizer, regardless of whether they are made available to the Participant or to third parties.

6.1 The Participant grants the Organizer permission in advance to publish visual and/or sound recordings in which the Participant can be seen and on which his/her name is mentioned for the Organizer's communication and advertising purposes.

Privacy and Cookie Statement

7.0 The Organizer considers it important that data sensitive to data protection is processed and protected with care. Therefore, we inform you in our privacy policy about how your data is processed, the purposes for which personal data is processed, how you can exercise your data protection rights and other information that may be relevant.

Litigation

8.0 German law is exclusively applicable to all legal relationships that may arise between the Organizer on the one hand and the Participant on the other.

8.1 In the event of disputes arising from the legal relationship, the parties will first consult with a view to settling the dispute amicably. If the parties do not succeed in doing so, a dispute within the meaning of the preceding paragraph shall be decided exclusively by the competent court at the Organizer's registered office.
